

Fletcher High School PTSA Club Grant Program 2023-2024

What is the Club Grant Program? The Fletcher High School PTSA has set aside \$3000 in funds to be given to qualifying FHS clubs. Each organization has the opportunity to apply for a grant ranging in size from \$100 to \$400. Please be aware that the PTSA wants to fund as many club projects as possible, and we may choose to modify the amount given so please give us as much information as possible to help us make the best decision for our school community.

How Does it Work? Simply fill out the application and place it in the PTSA mailbox (same room as the teacher's mailboxes/copiers) no later than April 1, 2024.

Who is Eligible to Apply? Any club or organization at Fletcher High School except for band, cheerleading, dance and any other sport deemed not eligible due to district policy.

The funds must be used for the betterment of the school and/or community. For example: club supplies, graduation cords for seniors, travel expenses to represent FHS, etc.

What is the Purpose? This program is designed to help club's complete special projects or programs that might otherwise be out of reach.

In selecting which clubs will receive grants and the dollar amount, preference will be given to those clubs that have members that have volunteered at TPC and have a high percentage of members that are current active members of the PTSA.
