

Dear Local Business Owner,

School has started and we welcome the 2025-2026 academic year with new goals and big energy!

Duncan U. Fletcher High School is once again providing local businesses an opportunity to advertise through our FHS Business Partner Membership.

For your involvement, we offer GOLD, SILVER and BRONZE level memberships. Each level of membership will provide various opportunities for parents, students, faculty, and local residents to view your advertisement.

Attached you will find a submission form as well as a detailed description of the advertisement options, "In-Kind" services and donation options, and programs sponsored by the partnership funds. You can also reply to this email with your interest and information as well.

We look forward to our collaborating with your business and greatly appreciate your support for our community.

Sincerely,

Stephanie John
